

“SET FREE”

Calling all church leaders, ministry leaders, counselors, lay counselors, mentors, anyone impacted by abortion or knows someone who is or anyone who simply wants to help someone else . . .

To Trotter House Community Wide Leadership Training

“Bans and restrictions on abortion are designed to stigmatize abortion, but a recent Guttmacher Institute study shows **one in four** women (which includes **one in four** men) is expected to have an abortion in their lifetime. That means that almost everyone, including abortion opponents, knows someone who has had an abortion.” **said Rachel Jones, Guttmacher principal research scientist. Guttmacher Institute states that 13% of women in the United States are likely to have an abortion by age 25!**

Please mark your calendars for **Friday, September 19 and Saturday, September 20** to come be equipped to make a difference in the lives of others impacted by abortion. Please bring the leadership from your church, area ministries, organizations, mentors, family and friends for the vital information that is impacting all of our lives! We look forward to partnering together to see our community and beyond “Set Free”.

Friday, September 19, 2025 - 6:00 p.m. to 8:30p.m.
Saturday, September 20, 2025 - 8:45 a.m. to 3:00 p.m.
